WE WALK FOR A CAUSE!!!

We are collecting funds to help pediatric clinic in Laplje Selo, Kosmet. This clinic is part of KBC Priština – Gračanica. It serves population in northern Kosmet, and doctors see about 1000 children every month. They have decent facilities, but are lacking proper medical instruments to treat them. Our goal is to collect about \$9000. Details about this donation are [here](#).

We collected \$6,455
